Mont Vernon, Feb. 28, 1893.

REPORT OF THE BOARD OF EDUCATION.

At a meeting of the District on the Eighth of March, 1892, W. H. Stinson was chosen a member of the School Board for three years. March 8th the School Board organized with F. O. Lamson, President, Mrs. Clark Campbell, Treasurer, W. H. Stinson, Secretary.

CENTRE DISTRICT.

Miss Helen E. Hood, a graduate of Bridgewater Normal School, has taught this school for the last two years. Miss Hood is a teacher of several years' experience in some of the finest schools in Massachusetts and New Hampshire. This school is to be congratulated upon its good fortune in being able to retain so able a teacher in its employ. Miss Hood labors not only to instil a thorough knowledge of the English language in all its branches, but also to instil into the minds of those under her charge all of the necessary qualifications to enable them to become noble men and women.

SOUTH DISTRICT.

Spring Term, 9 weeks. Miss Fannie L. Carlton, a teacher of some seven years' experience, taught this term. That she has taught this school for three successive years is proof of her ability as a teacher. She labored faithfully for the interest of her school, and takes a deep interest in the welfare of her pupils. We regret very much that Miss Carlton could not be retained longer in this school.

Fall Term 10, weeks. Miss Nellie Wilder, a teacher of wide experience, was engaged for this term. That she labored not in vain for the interest of her school was amply proved by the fine appearance and rapid progress made by her school.

Winter Term 9 weeks. Taught by Miss Blanche Chadwick, a teacher of several years' experience in teaching. She labored hard to sustain the interest of her school, and was able at the close of her school to show that her labors for the good of her pupils were not in vain.

EAST DISTRICT.

This School for the Spring Term was consolidated with the Centre District, but as the arraignment did not give satisfaction to some of the parents, and as the cost of carrying the pupils was greater than what it would cost to open the school, it was decided to open the school at the Fall term.

Fall term, 9 weeks. Miss Emma F. Woods, a teacher of several terms experience, was engaged to teach this school.

Miss Woods is a thorough and earnest teacher, working faithfully for the best interest of those under her care. Good progress was made in all branches.

Winter Term, 9 weeks. Walter L. Helso, a student of Dartmouth College, was engaged for this term. This was Mr. Helso's second term in this school. Mr. Helso is a teacher of much promise, working faithfully to interest his scholars in their studies. Although the attendance at school owing to unavoidable circumstances was very irregular, the progress made was very good.

WEST DISTRICT.

Mrs. Annie E. Perham taught the Spring term of 9 weeks. Mrs. Perham is a teacher of several terms experience, and thoroughly in earnest in her work striving to awaken an interest in her pupils. A great amount of work was accomplished in an exceedingly thorough manner.

Fall and Winter Terms were in charge of Miss Grace M. Smith. This was Miss Smith's first experience at teaching, but she certainly has the necessary qualifications to make a successful teacher. Thoroughly in earnest in her work striv-

ing to interest her scholars in their studies, a good disciplinarian, she carried her school to its close in a thoroughly satisfactory manner.

Respectfully submitted,

F. O. LAMSON,

President Board of Education.
